Game Schedules....

Use your log-on ID and password to access your player account on our website, www.MiracleLeagueoftheTriangle.com see your schedule, **mark your attendance** and view your team roster.

Game Attendance:

If you cannot attend a game, please mark yourself unavailable by 5 p.m. Sunday prior to that game online, using your player account. - OR - contact your coach if you will miss a game. Their contact information is available on your player account. Please do your best to give them at least a 2-day notice. This is important for creating line-ups and recruiting volunteers. And remember, your team is counting on you to be there!

Game Time: Arrive 15 minutes BEFORE game time at the dugout with your team's banner. This time is used to successfully partner players with volunteers. Timeliness creates *less* stress for everyone. Players who arrive *after* teams go to the field may be required to provide their own buddy for at least the first 15 minutes of the game.

Uniforms/Dress:

All players and coaches are getting a new uniform this fall. **Players must wear this season's current jersey** and ball cap. Wearing the correct uniform helps the announcers call out the correct names. Please wear athletic shoes (*no cleats or flip flops*) and other comfortable clothing (i.e. shorts, sweat pants) appropriate for playing ball.

INCLEMENT WEATHER: Games will be played through light rain, unless conditions are deemed unsafe. Cancellations or postponements due to inclement weather will be posted across our home page at www.MiracleLeagueoftheTriangle.com and on Facebook as soon as a decision is made.

Registration Fees: Any outstanding registration fees will be collected at the first game (Check or cash only) or can be submitted using PayPal via your player account.

Nick names and songs:

- If you did not submit your music via the website prior to the first game, please submit it in mp3 format via email (programs@miracleleagueofthetriangle.com) or on a CD labeled with the *player's name, team name and song title*. Changes to music cannot be completed at the field on game day.
- **Changes should be given to your coaches or Miracle League staff once per season.** Please do not disrupt announcers during a game to submit changes. Upload option is not available after our second game.
